## University Campus

### Wasa Wasa Lodge

Wasa Wasa Lodge houses up to 16 guests, with each room featuring ocean views. A unique freshwater swimming pool is perched on the edge of the hill directly in front of Wasa Wasa Lodge. This pool commands some of the most spectacular views in Fiji and is split over two levels.

### University Lodge

The University Lodge houses up to 56 guests, with all 28 rooms featuring a 200-degree view of the most pristine rainforest on the island of Vanua Levu. Each room has a balcony facing the rainforest.

Lodge accommodations are based on a first come first serve availability.

## Air Travel

Nadi, Fiji, is your first Fijian destination. From Nadi, Fiji, you will take a short 60-minute inter-island flight to Savusavu, on the northern island of Vanua Levu, where the University Campus is located. Please make your flight reservations from your point of origin all the way through to Savusavu (SVU).

When flying to Fiji from the United States, you will cross the International Dateline and "lose" a day. You "make-up" this day when returning. Because of this change, depending on the departure date and airline, nearly all flights from the USA will arrive in Fiji very early the second day after the date of your departure. In exploring different options and rates, those participants traveling from Australia and Singapore can obtain better fares to Fiji than we can from the United States. If our international clients need assistance with the short inter-island flight, Fiji Vacations can assist. However, if you make your own arrangements, please fill in your flight information on our Travel Planning Form so we can make certain we meet you at the airport in Savusavu and transfer you to the University Campus.

To book your air travel, please contact Fiji Vacations (information to be found on page 3).

## Transportation

The Business Mastery staff will greet you at the Savusavu airport and take you to the University Campus or the Namale Resort (depending on your accommodation.) This is a short 20-minute ride where you will pass through an authentic, traditional Fijian village.

## Attire

Dress is casual and comfortable throughout the program. The seminar room can be extremely cool, so please bring a light jacket or sweater. You may want to bring a pair of "throw-away" sneakers in case you trail walk and reef shoes for snorkeling and reef walking. Athletic clothes are recommended for some optional activities.

## Tuition

All event tuition fees must be paid 60 days in advance. We are not equipped to receive event tuition payments at the University Campus. Participants arriving in Fiji without having paid tuition in full in advance will not be admitted to the event and will not be able to check into the resort.

## Important

Due to the limited availability of flights and accommodations at the University Campus, all hotel reservations and flights to Fiji must be made and reported to our office no later than 60 days prior to the start of your Business Mastery program. Participants who fail to reserve their travel and accommodations 60 days in advance will be responsible for event transfer fees or forfeiture of attendance at Business Mastery if the travel or hotel resources are no longer available for their confirmed event dates.

## Passport

All participants: Please check with the Fijian Embassy or Consulate in your country for passport and visa information. If your itinerary contains international flights, it is the sole responsibility of each passenger in the itinerary to have the proper documents for entry/re-entry into a country. To obtain documentation requirements, contact the embassy or consulate of all countries involved in your itinerary, including all countries in which you may be transiting.

## WHAT TO BRING TO FIJI

### COMFORTABLE, COOL & CASUAL

is the rule for Fiji. The culture is modest, which means that at meals, shirts and cover-ups are necessary. Bring your bathing suits, but when you're not swimming please cover up. Shorts and anything cool are ideal. For the evenings, you'll want some long pants or long-sleeved t-shirts in case it's cool or the mosquitoes are friendly.

During Business Mastery, wear whatever you'll be comfortable sitting in.

**Please be aware that all Pacific Sun flights are weight restricted for safety reasons and that depending on load, bags may not travel on same flights as passenger.**

For more information, please visit the Pacific Sun website:

### MUSTS

- Reef shoes (Nike and many other companies make them) for snorkeling and reef walking
- Sunblock and tanning lotion
- Tea tree oil (for insect bites) — can be purchased at most health food stores
- Cameras
- Hat or visor to protect against the sun
- Bug repellent (we recommend SKIN OFF with aloe vera by Johnson & Johnson)

- Bathing suit

### SUGGESTED ITEMS

- Airplane neck pillow for the trip
- Games, cards, frisbees, etc.

### DISCOVERING THE ISLAND AND ITS PEOPLE

The beauty and wonder of the land and people in Fiji are incomparable. You'll have the opportunity to get to know both during your stay! You can take a short walk to the local villages—you'll be sure to experience a warm welcome from young and old alike.

Exploring the beautiful landscape of Fiji is always an adventure and a joy. You can discover waterfalls hidden deep in the foliage;

or you can hike the paths that wind past tropical flowers and swaying palms, opening onto sudden vistas of beach and sky.

### WHEN YOU ARRIVE IN SAVUSAVU

Once you arrive in Savusavu, you'll be taken by shuttle to the University Campus, where you'll have time to settle in and get to know some of your teammates!

The electricity at the University Campus is 240 volts, 50 cycles AC. Fiji and Australia are on the same voltage and outlet system.
