"While attending Life Mastery in Fiji, I discovered my deepest and most profound spiritual side and revitalized my health. My physical and spiritual endurance increased significantly. I can now take long, energizing walks and I have learned that my life purpose is to serve with a warm heart, to live with joy and to love with passion."

—Michael Dao, CPA, Arlington, Texas

"The cleanse at Life Mastery was an extraordinary experience – it was what my body desperately needed. To wake up in the morning and bathe in a waterfall, to have the most amazing massage of my life in such a world-class spa . . . what a way to do a seminar! I identified the things I needed to change in my diet and lifestyle to give me the vitality and energy that I experienced during the event for the rest of my life. The local Fijian staff was warm and nurturing, and, best of all, Lori and I got married while we were there in Namale!"

Bend, Oregon

ADDITIONAL EVENT INFORMATION

Spa Treatments and The Cleansing Program

During Life Mastery you will be able to enjoy the Namale Spa and Sanctuary which offers world-class treatments designed to support you during the Cleansing Program. We recommend colon cleanses at Life Mastery. Cleanses and spa treatments are available at an additional cost.

The Cleansing Program is an integral part of your experience at Life & Wealth Mastery and is included in your Life Mastery room. Generally, any person in good health should be able to complete this cleanse program (raw foods, wheat grass, vegetable and fruit juices). If for medical reasons you feel you cannot cleanse, please contact your Mastery Coordinator. We do not recommend intense workouts during the cleanse. During Wealth Mastery a healthy meal plan is included in your accommodation rate.

Tuition

All event tuition fees must be paid 60 days in advance. We are not equipped to receive event tuition payments at the University Campus. Participants arriving in Fiji without having paid tuition in full in advance will not be admitted to the event and will not be able to check into the resort.

ADDITIONAL TRAVEL INFORMATION

Passport

All participants: Please check with the Fijian Embassy or Consulate in your country for passport and visa information. If your itinerary contains international flights, it is the sole responsibility of each passenger in the itinerary to have the proper documents for entry/re-entry into a country. To obtain documentation requirements, contact the embassy or consulate of all countries involved in your itinerary, including all countries in which you may be transiting.

Air Travel

Nadi, Fiji is your first Fijian destination. From Nadi, Fiji, you will take a short 60-minute inter-island flight to Savasave, on the northern island of Vanua Levu where the University Campus is located. Please make your flight reservations from your point of origin all the way through to Savusavu. When flying to Fiji from the United States, you will cross the International Dateline and “lose” a day. You “make-up” this day when returning. Because of this change, depending on the departure date and airline, nearly all flights from the USA will arrive in Fiji very early the second day after the date of your departure. In exploring different options and rates, those participants traveling from Australia and Singapore can obtain better fares to Fiji than we can from the United States. If our international clients need assistance with the short inter-island flight, Fiji Vacations can assist. However, if you make your own arrangements, please fill in your flight information on our Travel Planning Form so we can make certain we meet you at the airport in Savusavu and transfer you to the University Campus.

Ground Transportation

The Life & Wealth Mastery staff will greet you at the Savusavu airport and take you to the Namale Resort & Spa or the University Campus (depending on your accommodation.) This is a short 20-minute ride where you will pass through an authentic, traditional Fijian village.

Currency Exchange

Assistance with currency exchange is available at:
<http://www.xe.net/ucc>.

Important

All questionnaires and signed Terms and Conditions must be received by us no later than 60 days prior to the start of your Life & Wealth Mastery program. Due to the limited availability of flights and accommodations at the University Campus, all hotel reservations and flights to Fiji must be made and reported to our office no later than 60 days prior to the start of your Life & Wealth Mastery program. Participants who fail to reserve their travel and accommodations 60 days in advance will be responsible for event transfer fees or forfeiture of attendance at Life & Wealth Mastery if the travel or hotel resources are no longer available for their confirmed event dates. If the event you wish to attend is within the 60 days time frame please contact our Mastery Coordinator team for information.

WHAT TO BRING TO FIJI

COMFORTABLE, COOL & CASUAL

is the rule for Fiji. The culture is modest, which means that at meals, shirts and cover-ups are necessary. Bring your bathing suits, but when you're not swimming please cover up. Shorts and anything cool are ideal. For the evenings, you'll want some long pants or long-sleeved t-shirts in case it's cool or the mosquitoes are friendly.

During Life & Wealth Mastery, wear whatever you'll be comfortable sitting (and dancing!) in.

Please be aware that all Pacific Sun flights are weight restricted for safety reasons and that depending on load, bags may not travel on same flights as passenger.

For more information, please visit the Pacific Sun website:
http://www.pacificsun.com.fj/default.aspx?sid=PS_travelPlanner&pid=PS_BaggageAllowance

MUSTS

- Passport (essential!)
- Any necessary visas for international clients
- Athletic shoes — 2 pair, one for regular wear and an old pair for hiking, in the water, etc.
- Reef shoes recommended (Nike and many other companies make them) for snorkeling and reef walking
- Sunblock and tanning lotion
- Tea tree oil (for insect bites) — can be purchased at most health food stores
- Cameras — there's no corner drug store if you run out!
- Hat or visor to protect against the sun
- Bug repellent (we recommend SKIN OFF with aloe vera by Johnson & Johnson)
- Sandals
- T-shirts and shorts
- Bathing suit

SUGGESTED ITEMS

- Airplane neck pillow for the trip
- Games, cards, frisbees, etc.
- Extra swimsuits
- iPod/mp3 player
- Medicine — if you need any, please bring an extra supply, as, again there's no corner drug store if you run out!

DISCOVERING THE ISLAND AND ITS PEOPLE

The beauty and wonder of the land and people in Fiji are incomparable. You'll have the opportunity to get to know both during your stay! You can take a short walk to the local villages—you'll be sure to experience a warm welcome from young and old alike.

If possible, we'll all spend Sunday morning at the local church, where you can bask in the beautiful acapella singing as the Fijians express their pure devotion and love of God.

Exploring the beautiful landscape of Fiji is always an adventure and a joy. You can discover waterfalls hidden deep in the foliage; or you can hike the paths that wind past tropical flowers and swaying palms, opening onto sudden vistas of beach and sky.

WHEN YOU ARRIVE IN SAVUSAVU

Once you arrive in Savusavu, you'll be taken by shuttle to the University Campus, where you'll have time to settle in and get to know some of your teammates! Registration for Life & Wealth Mastery will be on the morning you arrive at the University Campus.

The electricity at the University Campus is 240 volts, 50 cycles AC, so participants from the U.S. and Canada will need converters and adapters for any electrical appliances you bring. Fiji and Australia are on the same voltage and outlet system, so if you need to buy converters, ask for the same kind as you'd need in Australia.
