UNLEASH THE POWER WITHIN
WHERE THE IMPOSSIBLE BECOMES POSSIBLE

Ft. Lauderdale, FL | February 27 - March 2, 2014

“This was one of the most incredible experiences of my life.”
—Oprah Winfrey,
After attending UPW Los Angeles, 2011
Dear Friend,

Let's get real: we're living in a time when most people are lowering their expectations. We live in a time of tremendous uncertainty: at a time when 63% of Americans believe that the quality of life for themselves and their children's future is far less than what it was in the past. We're in a season of change—where we must thrive and not survive.

No matter how successful you are, there’s a gap between where you are and where you want to be. If your career is going great, you very often don’t have time for your kids. If your relationship with your kids is wonderful, your body is out of whack or your intimate relationship is not where you want it to be.

After 35 years of working with more than 4 million people from 100 countries, I've designed and refined a process that will help you take control of your life—to redefine what you want today and create a plan to eliminate the chokehold on your life and rejuvenate yourself emotionally, physically, and mentally.

Three years from now the world will be different. Are you prepared to take advantage of it today?

Unleash the Power Within is about unlocking and unleashing the forces inside you that can help you to break through any limit and create the quality of life that you desire and deserve.

I hope you will join me for 3½ days that will change your life forever, that will help you as you enter through your own crossroads of greatness. It will be my pleasure to serve you.

Until then, live strong and as always, live with passion!
